CORPORATE OVERVIEW

Annuet Coepris & Associates Inc (ACAI) is a distinguished Service-Disabled Veteran- Owned Small Business (SDVOSB) with over 45 years of proven success delivering mission-critical engineering and construction services to local, state, and federal agencies. Our company combines deep federal contracting expertise with specialized naval engineering capabilities, positioning us as a premier partner for complex government facility projects. We also assemble business teams to serve local, state, and federal government projects across the nation.

📍 Offices in California, Florida, Georgia & Michigan with support teams in the DMV Triangle.

CORE SERVICE CATEGORIES

CONSTRUCTION & INFRASTRUCTURE

Maintenance & Renovation: Critical repairs (roofing, MEP systems) and interior modernization.

Minor Construction: Expansion projects, including CBOCs and parking structures.

Major Construction: Large-scale developments like hospital towers and regional medical centers.

WATER & PATHOGEN MANAGEMENT

Pathogen Mitigation: Installation of secondary disinfection systems (UV-C, Copper-Silver, Chlorine Dioxide) to control Legionella.

Sterile Processing Support: Specialized water filtration for autoclaves and washers to ensure instrument longevity.

ENVIRONMENTAL & JANITORIAL SERVICES

Sanitization: Hospital-grade infection control and comprehensive floor/facility care.

Biohazardous Waste: OSHA-compliant collection and transport of "Red Bag" medical waste and sharps.

CLINICAL STAFFING & LOGISTICS

Medical Staffing: Specialized placement of Board-certified Physicians, Nurses (NP/PA/RN), and Allied Health professionals.

Specialized Transport: Wheelchair-accessible (WAV) and gurney-ready transportation for patients with limited mobility.
